Bloomington High
School South

Celebrating the story-one life at a time

In the months prior to this night, leaders and students had spent time together traveling to away football games, going out for ice cream, sharing conversations on the school sidewalks, and countless other ways of connecting. Lots of relational groundwork had been laid, and space created for quality connections.

And then it was time to turn the corner...

A Holy Moment took place at Bloomington Campus Life on Monday, October 22nd.

One of our leaders, Haley, shared: "Jesus has taken an interest in you... I'm brought back to the moment in my life where I was the weakest, the ugliest, the most unlovable. God FINDS us where we are, and makes us brand new. Does this mean life is easy for us? Absolutely not. Does this mean that we are perfect people? Absolutely not. We sin and we fall short of His glory every single day but His word tells us that it is done. When we choose to live in the fullness that is found in Jesus we are able to live the most precious life that has been given to us. It's never too late and you're never too broken to be repaired by your Maker."

And then she invited the students to make Jesus a part of their Life story.

10 students said "Yes!" to that opportunity for the very first time!

It was a beautiful and holy moment, and it's only the beginning!

Sharing my story

This Fall has been another great season of getting to serve as part of the Panther football coaching staff!

While most of my time has been spent building relationships with the young men on the freshman team, it has also been a blast to be a part of another November playoff run for the Varsity squad!

Campus Life puts on events like Costume Dodgeball because they provide and great avenue for quality adult leaders to create shared experiences with high school students! Memories are made and stories are created and that is really what it takes to get to know someone! Relationships make all the difference!
